

In Parasitos.

Quos tibi donamus fluuiales accipe cancos,
 Munera conueniunt moribus ista tuis.
 His oculi uigiles, & forfice plurimus ordo
 Chelarum armatus, maximaq; aluus adest.
 Sic tibi propensus stat pingui abdomine uenter,
 Pernicesq; pedes, spiculaq; apta pedi.
 Cum uagus in truiis, mensaq; sedilibus erras,
 Inq; alios mordax scommata salsa iacis.
