The Evangelists from David to Mary doe diversely deriue the descent of Christ. Matthew bringeth him to be the heire of Dauids throne, and by a legall succession from Salomon, and those Kings that possessed the crowne, as likewise from those high saints from whom it was taken, Daniell 7. whereby hee is called the King of the Iewes.

St. Luke sheweth him the seed promised in paradise, and by his natural parents bringeth him to Adam. For Solomons house ending in leonias Jer. 22. 9. Eze. 22. 26. the right of his Kingdome descended to the next in kindred according to the Law, No. 7. These breathforth a sweet comfort of his office and person without all contradiction in their holy records.
