

LACT. FIRMIANVS.

An. Christi,  
330.  
L. Celius  
Lactantius  
Firmianus

**L** Doe not finde any mention of the parents, Countrey, or education of this Father, nor is his fame and reputation therefore diminished, seeing that hee is registred and numbred amongst the ancient Pillars of the Church for his *Pietie* and *Learning*; and hee is sufficiently prayed by those pens, whose worth and veritie have been approved in all ages. It is no small credit to be enrolled amongst a cloud of so divine and pious Fathers; I finde by the testimony of Saint *Jerome*, that hee was the Scholer of *Arnobius*, who, in the Reigne of *Dioclesianus* the Empe-  
rour, was together with *Flavius*, the Gram-
